Item 1.01 Entry into a Material Definitive Agreement.***Amendment to Revenue Interest Purchase Agreement***

On March 30, 2026, ImmunityBio, Inc. (the “Company”) entered into a Second Amendment to Revenue Interest Purchase Agreement (the “Amendment”) by and among the Company, the guarantors party thereto, the purchasers party thereto (the “Purchasers”) and Infinity SA LLC, as collateral agent and administrative agent for the Purchasers (the “Agent”), which amends that certain Revenue Interest Purchase Agreement dated as of December 29, 2023, by and among the Company, the Purchasers and the Agent (as amended, modified and supplemented prior to the date of the Amendment, the “RIPA”). Pursuant to the Amendment, the Purchasers acquired additional revenue interests (“Revenue Interests”) from the Company for a gross purchase price of \$75.0 million (the “Third Payment”) paid at the closing of the Amendment.

As a result of the purchase of the additional Revenue Interests from the Company, the Purchasers have a right to receive quarterly payments (“Revenue Interest Payments”) from the Company based on net sales of the Company’s products during such quarter, which payment amount, pursuant to the Amendment, was increased to a tiered range of 5.625% to 12.50% (before funding of the Third Payment, 4.5% to 10.0%) of the Company’s net sales across the entire world, excluding the People’s Republic of China, Hong Kong and any territories controlled by the People’s Republic of China (the “Covered Territory”); provided that (a) if the aggregate Revenue Interest Payments made to the Purchasers as of the last business day of 2029 (the “Test Date”) equal or exceed \$375.0 million (the “Cumulative Purchaser Payments”) as of the Test Date, the tiered revenue interest rate will be decreased to a single rate of 2.8125% (before the funding of the Third Payment, 2.25%) of the Company’s net sales in the Covered Territory, and (b) if the aggregate Revenue Interest Payments made to the Purchasers as of the Test Date do not equal or exceed the aggregate amount of Cumulative Purchaser Payments as of the Test Date, then as of and following the Test Date, the initially tiered revenue interest rate will be increased for all subsequent calendar years to a single defined rate that, had such increased rate applied to the applicable tiered rate during the period from the Closing Date through and including the Test Date, it would have resulted in the Purchasers having received aggregate Revenue Interest Payments (excluding certain payments detailed in the RIPA) in an amount equal to the Cumulative Purchaser Payments as of the Test Date.

The Purchasers’ rights to receive the Revenue Interest Payments shall terminate on the date on which the Purchasers have received Revenue Interest Payments in an aggregate amount equal to 195% of the then Cumulative Purchaser Payments, unless, in certain situations detailed in the RIPA, the RIPA is terminated prior to such date.

The proceeds of the Third Payment will be used for general corporate purposes, including payment of transaction expenses incurred in connection with the Amendment and related RIPA documentation.

The Company’s obligations under the RIPA, as amended by the Amendment, are guaranteed by certain of its subsidiaries. To secure the Company’s obligations under the RIPA, amended by the Amendment, and the subsidiary guarantors’ obligations under the guarantees, each of the Company and the subsidiary guarantors has granted a security interest in substantially all its assets, subject to certain exceptions and limitations.

The foregoing is only a brief description of the material terms of the Amendment, does not purport to be a complete description of the rights and obligations of the parties thereunder, and is qualified in its entirety by reference to the Amendment that is filed as Exhibit 10.1 to this Current Report on Form 8-K and incorporated herein by reference.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

To the extent relevant, the information set forth in Item 1.01 above is incorporated by reference into this Item 2.03.

Item 7.01 Regulation FD Disclosure.

On March 31, 2026, the Company issued a press release announcing the Amendment and the Partial Note Conversion described in Item 8.01 below. The press release is attached as Exhibit 99.1 to this Current Report on Form 8-K and incorporated into this Item 7.01 by reference.

Item 8.01 Other Events.

Neither the Company nor any of its Subsidiaries has incurred or could reasonably be expected to incur any material obligation in connection with the termination of or withdrawal from any Foreign Plan. The present value of the accrued benefit liabilities (whether or not vested) under each Foreign Plan that is funded, determined as of the end of the most recently ended fiscal year of the Company or any of its Subsidiaries, as applicable, on the basis of actuarial assumptions, each of which is reasonable, did not exceed the current value of the property of such Foreign Plan by a material amount, and for each Foreign Plan that is not funded, the obligations of such Foreign Plan are properly accrued.

(f) Neither the Company nor any of its Subsidiaries has any liability under ERISA or the Code with respect to any citizen of the United States who performs services outside of the United States.

(g) As of the Closing Date, and except as disclosed to Purchaser Agent in writing after the Closing Date, there are no collective bargaining agreements covering employees of any Obligor or any of its Subsidiaries.

(b) The Obligors and the Purchasers shall cooperate and provide assistance as reasonably requested by the other party hereto, at the expense of such other party hereto (except as otherwise set forth herein), in connection with any litigation, arbitration, investigation or other proceeding (whether threatened, existing, initiated or contemplated prior to, on or after the date hereof) to which the other party hereto, any of its Affiliates or controlling persons or any of their respective officers, directors, equityholders, controlling persons, managers, agents or employees is or may become a party or is or may become otherwise directly or indirectly affected or as to which any such Persons have a direct or indirect interest, in each case relating to any Transaction Document, the transactions contemplated herein or therein or the Revenue Interests but in all cases excluding any litigation brought by the Company or its Affiliates against the Purchasers or Purchaser Agent or brought by the Purchasers or Purchaser Agent (for itself or on behalf of any Indemnified Party) against any Obligor.

(c) In the event (x) the Company or any of its Subsidiaries creates or acquires any Subsidiary (other than an Excluded Subsidiary) or (y) any Excluded Subsidiary ceases to be an Excluded Subsidiary, the Company shall provide prompt written notice to the Purchaser Agent of the creation or acquisition of such new Subsidiary or of such Excluded Subsidiary ceasing to be an Excluded Subsidiary, as applicable, and, promptly (and in any event no later than the earlier of any Transfer of any assets to such Subsidiary and thirty (30) days after the creation or acquisition thereof or any such Subsidiary ceasing to be an Excluded Subsidiary, as applicable), take all such action as may be reasonably required by the Purchaser Agent or any Purchaser to cause such Subsidiary to become a Subsidiary Guarantor, including without limitation by executing and delivering a Guaranty (or a joinder thereto), becoming a party to the Security Agreement (or delivering a foreign security agreement in form and substance reasonably satisfactory to Purchaser Agent) and delivering such proof of corporate action, incumbency of officers, opinions of counsel and other documents as requested by the Purchaser Agent.

(d) With respect to any Collateral acquired after the Closing Date by any Obligor that is not already subject to the Lien created by any of the Transaction Documents or specifically excluded from the requirement to be subject to such Lien in the Transaction Documents, the Obligors shall promptly (and in any event within thirty (30) days after the acquisition thereof) (i) execute and deliver to the Purchaser Agent such amendments or supplements to the relevant Transaction Documents or such other documents as the Purchaser Agent shall deem necessary or advisable to grant for its benefit, a Lien on such property subject to no Liens other than Permitted Liens, and (ii) take all actions necessary to cause such Lien to be duly perfected in accordance with all applicable requirements of Applicable Law, including the filing of financing statements in such jurisdictions as may be reasonably requested by the Purchaser Agent. Each Obligor shall otherwise take such actions and execute and/or deliver to the Purchaser Agent such documents as the Purchaser Agent shall reasonably require to confirm the validity, perfection and priority of the Lien of the Security Agreement on such after-acquired properties.

(e) The Obligors (excluding VivaBioCell, S.p.A. (to the extent it becomes an Obligor)) shall not establish or maintain any bank account except for bank accounts with Globally Systemically Important Banks; provided that the Obligors may maintain the bank accounts set forth on Schedule 5.06(e) to the Disclosure Letter as of the Closing Date (which bank accounts constitute all of the deposit accounts, securities accounts or other similar accounts maintained by the Obligors on the Closing Date that are not held with Globally Systemically Important Banks) until the date that is ninety (90) days following the Closing Date. In addition, no Obligor will establish or maintain any bank account unless (x) Purchaser Agent is provided at least ten (10) Business Days' prior written notice of the establishment of such account and (y) (I) with respect to any bank account located in the United States, Purchaser Agent, such Obligor and the bank or other financial institution at which the account is to be opened or maintained enter into a Control Agreement regarding such bank account prior to depositing any funds into such new bank account and in any event within fifteen (15) days following the opening of such new bank account and (II) with respect to any bank account located outside of the United States, such Obligor provide Purchaser Agent with documentation satisfactory to Purchaser Agent in its sole discretion to provide Purchaser Agent with a first-priority perfected security interest in such new bank account; provided that the foregoing requirement to deliver a Control Agreement or applicable foreign law documentation shall not apply to any Excluded Account, whether now existing or opened hereafter; provided further that in the event that any Excluded Account cease to be an Excluded Account it shall be subject to the requirement to deliver a Control Agreement or applicable foreign law documentation as if such account was opened on the day it ceased to be an Excluded Account.

(f) Each Obligor shall keep its and its Subsidiaries' business and the Collateral insured for risks and in amounts customary for companies in the Obligor's industry and location. Insurance policies shall be in a form, with companies, and in amounts that are customary for companies in the Obligor's industry and location; provided that such insurance shall at all times be at least as comprehensive as, and in amounts no lower than, the insurance that is in effect on the Closing Date. All property policies applicable to any Obligor shall have a lender's loss payable endorsement showing Purchaser Agent as lender loss payee and waive subrogation against Purchaser Agent, and all liability policies applicable to any Obligor shall show, or have endorsements showing, Purchaser Agent as additional insured. Purchaser Agent shall be named as lender loss payee and/or additional insured with respect to any such insurance providing coverage in respect of any Collateral, and Obligor shall endeavor to cause each provider of any such insurance to agree, by endorsement upon the policy or policies issued by it or by independent instruments furnished to Purchaser Agent, that it will give Purchaser Agent thirty (30) days prior written notice before any such policy or policies shall be materially diminished or canceled; provided that, if any such provider does not agree to provide such notice, then the applicable Obligor or Subsidiary shall not materially diminish or cancel any such policy or policies without giving Purchaser Agent thirty (30) days prior written notice. At Purchaser Agent's request, the Obligor shall deliver certified copies of policies and evidence of all premium payments.

Section 5.07 Put Option; Call Option.

(a) Put Option.

(i) Upon the occurrence and during the continuance of a Put Option Event, the Purchasers, or the Purchaser Agent on behalf of the Purchasers, will have the option to accelerate and require the Company to repurchase all, but not less than all, of the Revenue Interests and to terminate the Purchaser Commitments for a payment equal to the then-current Put/Call Price as of the date of the Put Option Closing Date (the "Put Option"). The Purchasers or the Purchaser Agent may exercise the Put Option at any time after the occurrence and during the continuance of a Put Option Event by delivering to the Company written notice thereof (the "Put Notice"). If Purchasers (or the Purchaser Agent) exercise the Put Option, then on the date specified in the Put Notice (which may be immediate) (the "Put Option Closing Date"), the Company will pay the Put/Call Price to the Purchaser by wire transfer of immediately available funds to the account or accounts designated by the Purchaser Agent.

(ii) Notwithstanding anything to the contrary contained herein, (A) immediately upon the occurrence of a Bankruptcy Event, the Purchasers shall be deemed to have automatically and simultaneously elected to require the Company to repurchase the Revenue Interests and to terminate the Purchaser Commitments and the Put/Call Price shall be immediately due and payable and the Purchaser Commitments shall be immediately terminated, without any further action or notice by any party, and (B) in the case of a Put Option Event constituting a Change of Control, the Purchasers (or Purchaser Agent) may deliver a Put Notice in advance of a Change of Control specifying that the Put Option is exercised contingent upon such Change of Control and that the Put Option Closing Date shall be the date of such Change of Control.

(iii) For the avoidance of doubt, (A) the Purchasers' election not to exercise the Put Option with respect to a given Put Option Event will not preclude the Purchasers from exercising the Put Option with respect to a continuing or subsequent Put Option Event, (B) a Put Option Event shall be deemed to exist at all times during the period commencing on the date that such Put Option Event occurs to the date on which such Put Option Event is waived in writing pursuant to this Agreement, and (C) a Put Option Event shall "continue" or be "continuing" until such Put Option Event has been waived in writing by the Purchasers.

(iv) Upon the occurrence and during the continuance of a Put Option Event, unless payment of the Put/Call Price has been made when due, the Purchasers and the Purchaser Agent, on behalf of the Purchasers, may exercise all rights and remedies available to the Purchasers or the Purchaser Agent as creditors hereunder and under the other Transaction Documents and Applicable Law (which exercise may be determined in its sole discretion and which such exercise shall not constitute an election of remedies), including enforcement of the Liens created thereby. For the avoidance of doubt, the parties hereto intend for the Revenue Interests to constitute a debt obligation of the Company arising out of a loan made by the Purchasers pursuant to this Agreement in the amount of the Cumulative Purchaser Payments and, in consideration for such loan, the Put/Call Price shall be due and payable at any time the Put Option or the Call Option is exercised or the Obligations are otherwise accelerated hereunder for any reason, whether due to acceleration pursuant to the terms of this Agreement, by operation of law or otherwise (including where bankruptcy filings or the exercise of any bankruptcy right or power, whether in any plan of reorganization or otherwise, results or would result in a payment, discharge, modification or other treatment of the Revenue Interests that would otherwise evade, avoid, or otherwise disappoint the expectations of the Purchasers in receiving the full benefit of the bargained-for Put/Call Price). The Company and the Purchasers acknowledge and agree that none of the Put/Call Price shall constitute unmatured interest, whether under Section 502(b)(2) of the United States Bankruptcy Code or otherwise (except as required for any Tax purpose), but instead is reasonably calculated to ensure that the Purchasers receive the benefit of their bargain under the terms of this Agreement. The Company acknowledges and agrees that the Purchasers shall be entitled to recover the full amount of the Put/Call Price in each and every circumstance such amount is due pursuant to or in connection with this Agreement, including in the case of any Bankruptcy Event, so that the Purchasers shall receive the benefit of its bargain hereunder and otherwise receive full recovery as agreed under every possible circumstance, and, to the fullest extent permitted by maximum law, the Company hereby waives any defense to payment, whether such defense may be based in public policy, ambiguity, or otherwise. The Company further acknowledges and agrees, and, to the fullest extent permitted by Applicable Law, waives any argument to the contrary, that payment of such amounts does not constitute a penalty or an otherwise unenforceable or invalid obligation. Any damages that the Purchasers may suffer or incur resulting from or arising in connection with any breach hereof or thereof by the Company shall constitute secured Obligations.

(b) Call Option. At any time during the Term (but subject to the last sentence of this Section 5.07(b)), the Company will have the option to repurchase all, but not less than all of, the Revenue Interests for a payment equal to the then-current Put/Call Price (the "Call Option"). The Company may exercise the Call Option by delivering to the Purchaser Agent written notice thereof (the "Call Notice"). If the Company exercises the Call Option, then within ten (10) days following the date of delivery of the Call Notice (the "Call Closing Date"), the Company will pay the then-current Put/Call Price to the Purchasers by wire transfer of immediately available funds to the account or accounts designated by the Purchaser Agent. Effective as of the Call Closing Date, all Purchaser Commitments shall immediately terminate. Notwithstanding anything to the contrary contained in this Agreement, the Company may rescind any Call Notice (or make such Call Notice, by its terms, conditioned on the occurrence or non-occurrence of subsequent events) and payment pursuant to this Section 5.07(b); provided that the Company must provide the Purchaser Agent with a new notice at least five (5) days prior to any Call Closing Date if the Company has rescinded the notice. Notwithstanding the foregoing, if the Purchaser Agent and/or Purchasers have issued a Funding Election Notice, the Company will not be permitted to exercise the Call Option (and no Call Closing Date will occur) during the period commencing on the FDA Approval Date through, and including, the earlier of (a) the Second Purchaser Payment Date and (b) thirty (30) days following the FDA Approval Date.

(c) Right of Set-off, Sharing of Set-off. If any amount payable hereunder is not paid as and when due, each Obligor irrevocably authorizes the Purchasers to proceed, to the fullest extent permitted by Applicable Law, without prior notice, by right of set-off, counterclaim or otherwise, against any assets of such Obligor in any currency that may at any time be in the possession of the Purchaser Agent, any Purchaser or any of their respective Affiliates, to the full extent of all amounts payable to the Purchasers hereunder; provided, however, that the Purchaser Agent shall notify the Obligors of the exercise of such right promptly following such exercise.

(d) Rights Not Exclusive. The rights provided for herein are cumulative and are not exclusive of any other rights, powers, privileges or remedies provided by this Agreement or Applicable Law.

(e) Obligations of Purchaser Agent. In connection with the consummation of a repurchase of the Revenue Interests pursuant to the Put Option or the Call Option, the Purchaser Agent agrees that it will, at the sole cost and expense of the Obligors, after each Purchaser has received payment in full of its Pro Rata Portion of the Put/Call Price, execute and deliver to the Obligors such UCC termination statements and other documents, and take such other actions, as may be necessary and reasonably requested by the Obligors to release (or evidence the release of) the Purchaser Agent's Lien on the Collateral and otherwise give effect to such repurchase.

Section 5.08 Events of Default

Any one of the following shall constitute an event of default (an "Event of Default") under this Agreement:

(a) The Company fails to make: (i) any payment of the Put/Call Price when due, or (ii) any other payment when due under Section 2.02 or under the other Transaction Documents; provided, with respect to this clause (ii), that no more than one time in any twelve consecutive month period, such failure shall not constitute a Put Option Event if the Company makes such payment within three Business Days of the applicable due date.

(b) (i) The Company or any Subsidiary breaches any term, covenant or agreement in any Transaction Document (other than a breach of this Agreement under Section 5.01, Section 5.02 or Section 5.11), which such breach, if capable of cure, is not cured within ten (10) Business Days of the occurrence thereof, or (ii) the Company or any Subsidiary breaches Section 5.01, Section 5.02 or Section 5.11 of this Agreement.

(c) Any Bankruptcy Event.

(d) There is a default in any agreement to which the Company or any of its Subsidiaries is a party with any Third Party that could entitle or permit such Third Party, after the giving of notice or the expiration of any applicable grace periods, to accelerate the maturity of any Indebtedness in an aggregate amount in excess of (X) prior to the Milestone, \$5,000,000 and (Y) from and after the occurrence of the Milestone, \$10,000,000 (in either case, even if such Third Party is restricted from accelerating the maturity of such Indebtedness, including pursuant to the terms of a subordination or other similar agreement).

(e) A default or breach occurs under any subordination, intercreditor or other similar agreement with respect to any Existing Stockholder Indebtedness. For the avoidance of doubt, material defaults or breaches for the purposes of this clause (e) shall include breaches of payment, enforcement and subordination provisions or restrictions.

(f) If any Permitted Convertible Notes, Existing Stockholder Indebtedness or Subordinated Debt is outstanding at such time, the earlier of (i) 91 days prior to the maturity date of such Permitted Convertible Notes or Existing Stockholder Indebtedness, as applicable, and (ii) the occurrence of any “fundamental change,” “event of default” or similar event under the terms of such Permitted Convertible Notes or Existing Stockholder Indebtedness, as applicable, giving the holders thereof the right to require the repurchase of, or to accelerate, such Permitted Convertible Notes or Existing Stockholder Indebtedness.

(g) One or more judgments, orders, or awards (or any settlement of any claim that, if breached, could result in a judgment, order or award) for the payment of money in an amount, individually or in the aggregate, of at least (i) \$5,000,000 prior to the Milestone and (ii) \$10,000,000 from and after the occurrence of the Milestone shall be rendered against the Company or any of its Subsidiaries and shall remain unsatisfied, unvacated or unstayed for a period of thirty (30) days after the entry thereof; provided, however, that any such judgment, order, award or settlement shall not give rise to a Put Option Event under this Section if and for so long as (A) the amount of such judgment, order, award or settlement is covered by a valid and binding policy of insurance between the defendant and the insurer covering full payment thereof and (B) such insurer has been notified, and has not disputed the claim made for payment, of the amount of such judgment, order, award or settlement.

(h) Any representation, warranty or statement made or deemed made by or on behalf of any Obligor in any Transaction Document or any amendment or modification hereof or thereof, or in any report, certificate, financial statement or other document furnished pursuant to or in connection with any Transaction Document or any amendment or modification hereof or thereof, shall: (i) prove to have been incorrect when made or deemed made to the extent that such representation, warranty or statement contains any materiality or Material Adverse Effect qualifier; or (ii) prove to have been incorrect in any material respect when made or deemed made to the extent that such representation, warranty or statement does not otherwise contain any materiality or Material Adverse Effect qualifier.

(i) Any material provision of any Transaction Document shall for any reason cease to be valid and binding on or enforceable against any Obligor, or any Obligor shall so state in writing or bring an action to limit its obligations or liabilities thereunder; or the Security Agreement, the Control Agreements or any other Transaction Document, which purports to create a validly perfected security interest, shall for any reason (other than pursuant to the terms thereof) cease to create a valid security interest in any material portion of the Collateral purported to be covered thereby or such security interest shall for any reason (other than pursuant to the terms of the Transaction Documents) cease to be a perfected and first priority security interest in any material portion of the Collateral subject thereto, subject only to Permitted Liens, in each case, other than as a direct result of any action by the Purchaser Agent or the Purchasers or failure of the Purchaser Agent or any Purchaser to perform an obligation thereof under the Transaction Documents.

(j) The Company shall fail to issue and deliver, and consummate the sale by the Company and the purchase by the Purchasers of, the Shares upon the exercise by the Purchasers of the Share Purchase Option in accordance with the Option Agreement.

(k) The Company’s common stock ceases to be listed or admitted for trading on the Nasdaq Capital Market, the Nasdaq Global Select Market, the Nasdaq Global Market or the New York Stock Exchange (or any nationally recognized securities exchange that is a successor to any of the foregoing) and, solely in the case of a voluntary delisting of the Company’s common stock that is not effected as a result of the failure, or expected failure, to meet applicable listing criteria, the Company’s common stock continues to not be so listed or admitted for longer than fifteen (15) consecutive Business Days from the occurrence thereof (it being agreed that if the Company’s common stock is no longer so listed or admitted for any other reason, an immediate Event of Default shall occur).

(l) Following the receipt of Regulatory Approval to Commercialize or Develop Anktiva, (i) the loss of Regulatory Approval to Commercialize or Develop Anktiva (whether voluntary or involuntary), or (ii) the receipt by the Company or any Subsidiary of the Company of any written notice from the FDA or any other Regulatory Authority of pending recommendation or final decision to withdraw Regulatory Approval to Commercialize or Develop Anktiva, in each case, with respect to the United States, which withdrawal or removal will last, or is reasonably expected to last, more than one hundred eighty (180) days.

Section 5.09 Intellectual Property; Regulatory Approvals.

(a) Each Obligor shall, at its sole expense, either directly or by causing any Subsidiary to do so, use commercially reasonable efforts (including taking legal action to specifically enforce the applicable terms of any License Agreement) to prepare, execute, deliver and file any and all agreements, documents or instruments which are necessary to diligently prosecute and maintain the Material Patents with the intent to protect the Included Products. Each Obligor shall, at its sole expense without any reduction in the Revenue Interests, either directly or by causing a Subsidiary to do so, use commercially reasonable efforts to diligently defend or assert all Product Intellectual Property against infringement or interference by any other Persons, and against any claims of invalidity or unenforceability (including, without limitation, by bringing any legal action for infringement or defending any claim of invalidity or action of a Third Party for declaratory judgment of non-infringement or non-enforceability), except where the failure to do so would not reasonably be expected to result in a Material Adverse Effect. The Obligors shall not, shall cause its Subsidiaries not to, and shall use their commercially reasonable efforts to cause any Licensee not to, disclaim or abandon, or fail to take any action necessary to prevent the disclaimer or abandonment of, the Material Patents, except where the failure to do so would not reasonably be expected to result in a Material Adverse Effect.

(b) In the event that any Obligor becomes aware that the Development, use, Manufacture or Commercialization of any Included Product infringes or violates any Intellectual Property that is owned or controlled by a Third Party, such Obligor shall use commercially reasonable efforts to attempt to secure the right to use such Intellectual Property on behalf of itself and any affected Licensee, as applicable, except where the failure to do so would not reasonably be expected to result in a Material Adverse Effect, and shall pay all reasonable costs and amounts associated with obtaining any such license, without any reduction in the Revenue Interests.

(c) If any Obligor or Subsidiary recovers monetary damages from a Third Party in an action brought for such Third Party's infringement of any Product Intellectual Property in connection with the exploitation of any product, therapy, or service that actually or prospectively competes with any Included Product or the market for such Included Product in the Covered Territory, where such damages (whether in the form of judgment or settlement) are awarded for loss of sales of such Included Product in the Covered Territory, then (i) such damages will be allocated first to the reimbursement of any expenses incurred by such Obligor or Subsidiary in bringing such action (including reasonable attorney's fees) not already reimbursed from other damages awarded under the same action, (ii) any remaining amount of such damages will be reduced, if applicable, to comply with any required allocation of recovered damages with such Obligor's or Subsidiary's licensors or (sub)licensees, and (iii) any residual amount of such damages after application of clauses (i) and (ii) will be treated as Net Sales of the Included Products for purposes of calculating Revenue Interest Payments under this Agreement.

(d) Each Obligor shall directly, or through an Affiliate or Licensee, take any and all actions and prepare, execute, deliver and file any and all agreements, documents or instruments to secure and maintain, all applicable Regulatory Approvals, except where the failure to do so would not reasonably be expected to result in a Material Adverse Effect.

(xii) change the fiscal year end (other than, in the case of the Company or any Subsidiary, to conform to the Company's fiscal year end); or

(xiii) directly or indirectly enter into or permit to exist any transaction or series of transactions with any Affiliate of the Company or any of its Subsidiaries with a fair market value in excess of \$120,000, except for (a) the Affiliate Agreements; (b) transactions between or among Obligor and Subsidiaries; provided that, except for Permitted Investments pursuant to clauses (c), (f)(v) and (f)(vi) of the definition thereof, Permitted Indebtedness pursuant to clauses (d), (e) and (o) of the definition thereof, Permitted Debt Payments pursuant to clauses (e) and (f) thereof, and Restricted Payments permitted pursuant to Section 5.11(a)(vi)(A), any transactions with Subsidiaries that are not Obligors are in the ordinary course of the Company's and the applicable Subsidiary's (or Subsidiaries') business, upon fair, customary and reasonable terms that are no less favorable to the Obligors than would be obtained in an arm's length transaction with a nonaffiliated Person; (c) customary compensation, service, severance and indemnification of, and other employment arrangements with, directors and officers of the Company and its Subsidiaries, and reimbursements of expenses of current or former directors and officers, in each case in the ordinary course of business, upon fair, customary and reasonable terms that, with respect to any such arrangements with Affiliates of the Company or any Subsidiary, are no less favorable to the Company and its Subsidiaries than would be obtained in an arm's length transaction with a non-affiliated Person; (d) the issuance of Equity Interests of the Company to Affiliates in exchange for cash; provided that the terms of such transaction are no less favorable to the Company than those that would be obtained in a comparable arm's length transaction with a Person that is not an Affiliate; (e) any transaction expressly permitted by Section 5.11(a)(vi)(C), Section 5.11(a)(vi)(E), Section 5.11(a)(vi)(F), Section 5.11(a)(x)(Q), clauses (b), (e), (n), (o), (r) and (s) of the definition of "Permitted Indebtedness", and clause (c) of the definition of "Permitted Investments"; (f) transactions that do not involve Investments, License Agreements, Restricted Payments or

Transfers and that are made (i) in the ordinary course of the Company's and the applicable Subsidiary's (or Subsidiaries') business, upon fair, customary and reasonable terms that are no less favorable to the Obligors than would be obtained in an arm's length transaction with a nonaffiliated Person and (ii) approved by the Related Party Transaction Committee of the Company's Board; provided, that consideration paid by the Company and its Subsidiaries during any fiscal year in connection with transactions entered into under this clause (f), net of any payments received from Affiliates that are not Subsidiaries in connection with such transactions during such fiscal year, shall not exceed (X) prior to the Milestone, \$5,000,000 and (Y) from and after the occurrence of the Milestone, \$10,000,000; (g) the payment of reasonable out-of-pocket costs and expenses relating to registration rights and indemnities provided to holders of Equity Interests of the Company pursuant to any stockholders' agreement or registration and participation rights agreement and (h) agreements existing on the Closing Date and listed on Schedule 5.11(a)(xiii)(2) to the Disclosure Letter.

(b) No Obligor may take any action or engage in any transaction (or series of actions or transactions), whether by reorganization, Transfer of assets, merger, dissolution, amendment of organizational documents or otherwise, the primary purpose of which is to evade, avoid or seek to avoid the performance or observance of the covenants, agreements or obligations of the Obligors under the Transaction Documents.

Section 5.12 Taxes.

(a) Each Obligor shall timely file (taking into account all extensions of due dates) all income and all other material Tax Returns required to be filed by it and will pay all material Taxes required to be paid with such returns.

(b) Purchaser Agent, each Purchaser and each Obligor agree that (a) the transactions contemplated by this agreement are intended to constitute and shall be treated by the parties as a debt instrument for U.S. federal and applicable state and local income tax purposes and (b) the payments of interest under such debt instrument are intended to qualify as "portfolio interest" within the meaning of Section 871(h)(2) of the Code (provided that the requirements of Sections 871(h)(3), 871(h)(5), 881(c)(3) and 881(c)(5) of the Code, as applicable, are satisfied) or to be eligible for the benefits of Section 1 of Article 11 of the income tax treaty between the United States and Ireland. None of the Purchasers nor any Obligor shall take any Tax position inconsistent with the foregoing unless otherwise required by a determination within the meaning of Section 1313(a) of the Code.

(c) [reserved].

(d) On or prior to the Closing Date (or the date that any Purchaser acquires an interest in the Obligations or Purchaser Commitment), each Purchaser shall deliver to the Company a duly completed and valid IRS Form W-9 certifying that such Purchaser is a United States person and exempt from U.S. federal backup withholding (the "IRS Withholding Form"), and each Purchaser shall provide an updated IRS Withholding Form to the Company throughout the Revenue Interest Period whenever required in order for the Company to have on file a duly completed and valid IRS Withholding Form. Each Purchaser represents that it is not participating in a "conduit financing arrangement" within the meaning of Treasury regulation section 1.881-3 with respect to the Obligations or Purchaser Commitments.

(e) The Obligors covenant to each Purchaser that all amounts payable hereunder shall be paid by the Obligors without deduction or withholding for any Taxes, except as required pursuant to any Applicable Law. If any Applicable Law (as determined in the good faith discretion of an applicable withholding agent) requires the deduction or withholding of any Tax from any payment in respect of this Agreement by a withholding agent (including a Purchaser), then the applicable withholding agent shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with Applicable Law, and, if such Tax is not an Excluded Tax, then the sum payable by Obligors to Purchasers shall be increased as necessary so that after such deduction or withholding has been made (including any such deduction and withholding by a Purchaser as a withholding agent and such deductions and withholdings applicable to additional sums payable under this Section 5.12(e)) the Purchasers receive an amount equal to what they would have received had no deduction or withholding been made.

Section 5.13 Material Contracts.

Each Obligor and its Subsidiaries shall comply with all material terms and conditions of and fulfill all of its obligations under all the Material Contracts. No Obligor nor any of their respective Subsidiaries shall, without the prior consent of the Purchaser Agent, which shall not be unreasonably withheld, conditioned or delayed, enter into any material amendment or waiver to or material modification of any Material Contract, or take or omit to take any action that results in the termination of any Material Contract or that permits a Material Contract to be terminated by any counterparty thereto prior to its stated date of expiration, in either case that could reasonably be expected to (i) result in a Material Adverse Effect or (ii) have any adverse impact on Purchaser Agent's or the Purchasers' rights and remedies under this Agreement. Upon the occurrence of a breach of any Material Contract by any other party thereto, each Obligor shall seek to enforce all of its (and cause its Subsidiaries to seek to enforce all of their) rights and remedies thereunder.

Section 5.14 Employee and Pension Matters.

Other than a customary 401(k) plan, no Obligor nor any ERISA Affiliate shall sponsor, establish, maintain, participate in or incur any liability in respect of any "employee benefit plan" as defined in Section 3(3) of ERISA and that is intended to be a tax-qualified plan under Section 401 of the Code and is subject to ERISA which is, or within the preceding six years was, sponsored, maintained or contributed to by, or required to be contributed by, any member of the Company and its Subsidiaries or any of their respective ERISA Affiliates.

ARTICLE VI

TERMINATION

Section 6.01 Termination Date.

Except as provided in this Section 6.01 and in Section 6.02, this Agreement shall terminate upon expiration of the Revenue Interest Period (the "Term"). If any payments are required to be made by one of the parties hereunder after that date, this Agreement shall remain in full force and effect until any and all such payments have been made in full, and (except as provided in Section 6.02) solely for that purpose. In addition, this Agreement shall sooner terminate if the Purchasers shall have exercised the Put Option in accordance with Section 5.07(a) or the Company shall have exercised the Call Option in accordance with Section 5.07(b), in each case upon the payment of the Put/Call Price and any other Obligations (other than contingent indemnity obligations for which no claim has been made).

Section 6.02 Effect of Termination.

In the event of the termination of this Agreement pursuant to Section 6.01, this Agreement shall forthwith become void and have no effect without any liability on the part of any party hereto or its Affiliates, directors, officers, stockholders, partners, managers or members other than the provisions of this Section 6.02, Section 5.04, Article VII and Article VIII hereof, which shall survive any termination indefinitely. Nothing contained in this Section 6.02 shall relieve any party from liability for any breach of this Agreement.

ARTICLE VII

PURCHASER AGENT

Section 7.01 Appointment and Authority. Each of the Purchasers hereby irrevocably appoints Infinity SA LLC (together with any successor Purchaser Agent pursuant to Section 7.06) as the Purchaser Agent hereunder and authorizes Purchaser Agent to (i) execute and deliver the Transaction Documents and accept delivery thereof on its behalf from the Obligors and their Subsidiaries, (ii) take such action on its behalf and to exercise all rights, powers and remedies and perform the duties as are expressly delegated to the Purchaser Agent under such Transaction Documents, (iii) act as agent of such Purchaser for purposes of acquiring, holding, enforcing and perfecting all Liens granted by the Obligors on the Collateral to secure any of the Obligations and (iv) exercise such powers as are reasonably incidental thereto. Except for the last paragraph of Section 7.08, the provisions of this Article VII are solely for the benefit of the Purchaser Agent and the Purchasers, and neither the Company nor any other Obligor shall have rights as a third-party beneficiary of any of such provisions. Subject to Section 7.08 and Section 8.08, any action required or permitted to be taken by the Purchaser Agent hereunder shall be taken with the prior approval of the Required Purchasers.

Section 7.02 Rights as a Purchaser. The Person serving as the Purchaser Agent hereunder shall have the same rights (including under Section 5.12) and powers, and shall be subject to the same obligations under Section 5.12, as any other Purchaser and may exercise the same as though it were not the Purchaser Agent and the term “Purchaser” or “Purchasers” shall, unless otherwise expressly indicated or unless the context otherwise requires, include the Person serving as the Purchaser Agent hereunder. Such Person and its Affiliates may lend money to, own securities of, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with any Obligor or any Subsidiary or other Affiliate thereof as if such Person were not the Purchaser Agent hereunder and without any duty to account therefor to the Purchasers.

Section 7.03 Exculpatory Provisions.

(a) The Purchaser Agent shall not have any duties or obligations except those expressly set forth herein and in the other Transaction Documents to which it is a party. Without limiting the generality of the foregoing, the Purchaser Agent:

(i) shall not be subject to any fiduciary or other implied duties, regardless of whether a default, breach by any Obligor of the Transaction Documents or Put Option Event, or any event that, with the giving of notice or passage of time, would constitute a Put Option Event, has occurred and is continuing;

(ii) shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Transaction Documents to which it is a party that the Purchaser Agent is required to exercise as directed in writing by the Required Purchasers (or such other number or percentage of the Purchasers as shall be expressly provided for herein or in such other Transaction Documents), provided that the Purchaser Agent shall not be required to take any action that, in its opinion or the opinion of its counsel, may expose the Purchaser Agent to liability or that is contrary to any Transaction Document or Applicable Law; and

(iii) shall not, except as expressly set forth herein and in the other Transaction Documents to which it is a party, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to any Obligor or any of its Affiliates that is communicated to or obtained by the Person serving as the Purchaser Agent or any of its Affiliates in any capacity.

(b) The Purchaser Agent shall not be liable for any action taken or not taken by it (i) with the consent or at the request of the Required Purchasers (or such other number or percentage of the Purchasers as shall be necessary, or as the Purchaser Agent shall believe in good faith shall be necessary, under the circumstances as provided in Section 8.08) or (ii) in the absence of its own gross negligence or willful misconduct as determined by a court of competent jurisdiction by final and non-appealable judgment. The Purchaser Agent shall be deemed not to have knowledge of any default, breach by the Obligors of the Transaction Documents, or Put Option Event unless and until notice describing such default, breach of the Transaction Documents or Put Option Event is given to the Purchaser Agent in writing by the Obligors or a Purchaser.

(c) The Purchaser Agent shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Transaction Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any default, breach of the Transaction Documents or Put Option Event, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Transaction Document or any other agreement, instrument or document or (v) the satisfaction of any condition set forth in Article II or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to the Purchaser Agent.

(d) Notwithstanding anything to the contrary herein, the Purchaser Agent's sole duty with respect to the custody, safekeeping and physical preservation of the Collateral in its possession, under the UCC or otherwise, shall be to deal with it in the same manner as the Purchaser Agent deals with similar property for its own account, and the Purchaser Agent shall be deemed to have exercised reasonable care in the custody and preservation of the Collateral in its possession if the Collateral is accorded treatment substantially equal to that which comparable secured parties accord comparable collateral.

(e) In addition to and not in limitation of the provisions of this Section 7.03, under no circumstances shall the Purchaser Agent have any duty or obligation to take any actions hereunder, even if instructed to do so by the Required Purchasers, if the Purchaser Agent determines, in its sole and absolute discretion, that such actions would subject it to liability or expense for which indemnity or security satisfactory to it has not been provided hereunder or otherwise or would be contrary to the Transactions Documents or requirements of Applicable Law.

Section 7.04 Reliance by Purchaser Agent. The Purchaser Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. The Purchaser Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. The Purchaser Agent may consult with legal counsel (who may be counsel for the Obligors), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

Section 7.05 Delegation of Duties. The Purchaser Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other Transaction Document by or through any one or more sub-agents appointed by the Purchaser Agent. The Purchaser Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Affiliates. The exculpatory provisions of this Article VII shall apply to any such sub-agent and to the Affiliates of the Purchaser Agent and any such sub-agent. The Purchaser Agent shall not be responsible for the negligence or misconduct of any sub-agent except to the extent that a court of competent jurisdiction determines in a final and non-appealable judgment that the Purchaser Agent acted with gross negligence or willful misconduct in the selection of such sub-agent.

Section 7.06 Resignation of Purchaser Agent. The Purchaser Agent may at any time give notice of its resignation to the Purchasers and the Company upon thirty (30) days written notice. Upon the receipt of any such notice of resignation, the Required Purchasers shall have the right, in consultation with the Company so long as no default, breach by the Obligor of the Transaction Documents or Put Option Event has occurred and is continuing, to appoint a successor. If no successor shall have been so appointed by the Required Purchasers and shall have accepted such appointment within thirty (30) days after the retiring Purchaser Agent gives notice of its resignation, then the retiring Purchaser Agent may, on behalf of the Purchasers, appoint a successor Purchaser Agent; provided that, whether or not a successor has been appointed or has accepted such appointment, such resignation shall become effective upon delivery of the notice thereof. Upon the acceptance of a successor's appointment as Purchaser Agent hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring (or retired) Purchaser Agent, and the retiring Purchaser Agent shall be discharged from all of its duties and obligations under the Transaction Documents (if not already discharged therefrom as provided above in this Section 7.06). After the retiring Purchaser Agent's resignation, the provisions of this Article VII and Section 8.04 shall continue in effect for the benefit of such retiring Purchaser Agent, its sub-agents and their respective Affiliates in respect of any actions taken or omitted to be taken by any of them while the retiring Purchaser Agent was acting as Purchaser Agent. Upon any resignation by the Purchaser Agent, all payments (if any), communications and determinations provided to be made by, to or through the Purchaser Agent shall instead be made by, to or through each Purchaser directly, until such time as a Person accepts an appointment as Purchaser Agent in accordance with this Section 7.06.

Section 7.07 Non-Reliance on Purchaser Agent and Other Purchasers. Each Purchaser acknowledges that it has, independently and without reliance upon the Purchaser Agent or any other Purchaser or any of their Affiliates and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement and purchase the Revenue Interests hereunder. Each Purchaser also acknowledges that it will, independently and without reliance upon the Purchaser Agent or any other Purchaser or any of their Affiliates and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Transaction Document or any related agreement or any document furnished hereunder or thereunder.

Section 7.08 Collateral and Guaranty Matters. Each Purchaser agrees that any action taken by the Purchaser Agent or the Required Purchasers in accordance with the provisions of this Agreement or of the other Transaction Documents, and the exercise by the Purchaser Agent or Required Purchasers of the powers set forth herein or therein, together with such other powers as are reasonably incidental thereto, shall be authorized and binding upon all of the Purchasers. Without limiting the generality of the foregoing, the Purchasers irrevocably authorize the Purchaser Agent, at its option and in its discretion:

(a) to release any Lien on any property granted to or held by the Purchaser Agent under any Transaction Document (A) upon the discharge of the Obligations (other than contingent indemnity obligations for which no claim has been made), (B) that is sold, transferred, disposed or to be sold, transferred, disposed as part of or in connection with any sale, transfer or other disposition (other than any sale to an Obligor; provided, however that the Purchaser Agent may make any filings necessary to reflect the transfer of Collateral from one Obligor to another) permitted hereunder or otherwise becomes an Excluded Property (as defined in the Security Agreement), (C) subject to Section 8.08, if approved, authorized or ratified in writing by the Required Purchasers or (D) to the extent such property is owned by a Subsidiary Guarantor upon the release of such Subsidiary Guarantor from its obligations under its Guaranty pursuant to clause (c) below;

(b) to release any Subsidiary Guarantor from its obligations under the Guaranty if such Person ceases to be a Subsidiary as a result of a transaction permitted hereunder; and

(c) to enter into non-disturbance and similar agreements in connection with the licensing of Intellectual Property permitted pursuant to the terms of this Agreement in form and substance reasonably satisfactory to the Purchaser Agent and the applicable licensor.

Upon request by the Purchaser Agent at any time, the Required Purchasers will confirm in writing the Purchaser Agent's authority to release or subordinate its interest in particular types or items of property, or to release any Subsidiary Guarantor from its obligations under the Guaranty pursuant to this Section 7.08.

In each case as specified in this Section 7.08, the Purchaser Agent will (and each Purchaser irrevocably authorizes the Purchaser Agent to), at the Obligors' expense, execute and deliver to the applicable Obligor such documents as such Obligor may reasonably request (i) to evidence the release or subordination of such item of collateral from the assignment and security interest granted under the Transaction Documents, (ii) to enter into non-disturbance or similar agreements in connection with the licensing of Intellectual Property, (iii) to evidence the release of such Subsidiary Guarantor from its obligations under the Guaranty, in each case in accordance with the terms of the Transaction Documents and this Section 7.08 and in form and substance reasonably acceptable to the Purchaser Agent.

The Purchaser Agent shall deliver to the Purchasers notice of any action taken by it under this Section 7.08 as soon as reasonably practicable after the taking thereof; provided, that delivery of or failure to deliver any such notice shall not affect the Purchaser Agent's rights, powers, privileges and protections under this Article VII.

Section 7.09 Reimbursement by Purchasers. To the extent that the Obligors for any reason fail to indefeasibly pay any amount required under Section 8.04 or Section 8.13 to be paid by them to the Purchaser Agent (or any sub-agent thereof) or any Affiliate of any of the foregoing, each Purchaser severally agrees to pay to the Purchaser Agent (or any such sub-agent) or such Affiliate, as the case may be, such Purchaser's Pro Rata Portion of such unpaid amount; provided that the unreimbursed expense or indemnified loss, damage, liability or related expense, as the case may be, was incurred by or asserted against the Purchaser Agent (or any such sub-agent) in its capacity as such or against any Affiliate of any of the foregoing acting for the Purchaser Agent (or any sub-agent) in connection with such capacity.

ARTICLE VIII

MISCELLANEOUS

Section 8.01 Limitations on Damages.

Notwithstanding anything to the contrary in this Agreement or any other Transaction Document, in no event shall any party hereto be liable for special, indirect, incidental, punitive or consequential damages of any other party, whether or not caused by or resulting from the actions of such party or the breach of its covenants, agreements, representations or warranties under the Transaction Documents, even if such party has been advised of the possibility of such damages; provided, that nothing contained in this Section 8.01 shall limit the Obligors' indemnification obligations hereunder to the extent such special, indirect, consequential or punitive damages are included in any third party claim in connection with which such Indemnified Party is entitled to indemnification under any Transaction Document. In connection with the foregoing, the parties hereto acknowledge and agree that (i) Purchaser Agent's and the Purchasers' damages, if any, for any such action or claim will typically include losses for payments that the Purchasers were entitled to receive in respect of their ownership of the Revenue Interests but did not receive timely or at all due to such indemnifiable event and (ii) Purchaser Agent and the Purchasers shall be entitled to make claims for all such missing or delayed Revenue Interests as losses hereunder, and such missing or delayed Revenue Interests shall not be deemed special, indirect, incidental, punitive or consequential damages.

Section 8.03 Successors and Assigns.

The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns. The Obligors shall not be entitled to assign any of their obligations and rights under the Transaction Documents without the prior written consent of the Purchaser Agent and the Required Purchasers. The Purchaser Agent and any Purchaser shall not assign any of their obligations and rights under the Transaction Documents without the prior written consent of the Company, except that Purchaser Agent and any Purchaser may assign any of its rights under the Transaction Documents (other than the Option Agreement) without restriction (i) to any Eligible Assignee; provided, that with respect to any assignment under this clause (i), if Affiliates of Oberland Capital Management LLC constitute the Required Purchasers prior to such assignment, then Affiliates of Oberland Capital Management LLC shall continue to constitute the Required Purchasers after giving effect to such assignment and (ii) after the occurrence and during the continuance of a Put Option Event, to any Person; provided, however, that, except to the extent such Purchaser retains its obligations to make ~~its Pro Rata Portion of~~ future Purchaser Payments, such Eligible Assignee shall assume in writing all such Purchaser's obligation to make future Purchaser Payments; provided, further, that the Purchaser shall provide the Company with written notice of any assignment. The Company shall maintain a "register" for the recordation of the names and addresses of, and the Purchaser Commitments of, and amounts owing to, each Purchaser and assignee owning Revenue Interest Payments. Any purported assignment not in compliance with the foregoing requirement shall be null and void.

Section 8.04 Indemnification.

(a) The Obligors hereby indemnify and hold the Purchaser Agent, each Purchaser and their respective Affiliates and any of their respective partners, directors, managers, members, officers, employees and agents (each, an "Indemnified Party") harmless from and against any and all Indemnified Liabilities, in all cases, arising, in whole or in part, out of or relating to any claim, notice, suit or proceeding commenced or threatened in writing (including, without limitation, by electronic means) by any Person (including any Governmental Authority); provided that (i) the Obligors shall not have any obligation to any Indemnified Party hereunder with respect to any Indemnified Liabilities to the extent such Indemnified Liabilities arise from the bad faith, gross negligence or willful misconduct of such Indemnified Party or the breach by such Indemnified Party of its obligations to pay its Purchaser Payments hereunder and (ii) such indemnity shall not, as to any Indemnified Party, be available to the extent that such Indemnified Liabilities arise out of any claim, litigation, investigation or proceeding brought by any such Indemnifying Party against another Indemnifying Party that does not involve any act or omission by the Obligors or any of their Subsidiaries.

(b) If any Third Party Claim shall be brought or alleged against an Indemnified Party in respect of which indemnity is to be sought against an indemnifying party pursuant to this Section 8.04, the Indemnified Party shall, promptly after receipt of notice of the commencement of any such Third Party Claim, notify the indemnifying party in writing of the commencement thereof, enclosing a copy of all papers served, if any; provided, that the omission to so notify such indemnifying party will not relieve the indemnifying party from any liability that it may have to any indemnified party under this Section 8.04 unless, and only to the extent that, the indemnifying party is actually prejudiced by such omission. In the event that any Third Party Claim is brought against an Indemnified Party and it notifies the indemnifying party of the commencement thereof in accordance with this Section 8.04, the indemnifying party will be entitled, at the indemnifying party's sole cost and expense, to participate therein and, to the extent that it may wish, to assume the defense thereof, with counsel reasonably satisfactory to such Indemnified Party (who shall not, except with the consent of the indemnified party, be counsel to the indemnifying party), and, after notice from the indemnifying party to such Indemnified Party of its election so to assume the defense thereof, the indemnifying party will not, subject to the immediately succeeding sentence, be liable to such indemnified party under this Section 8.04 for any legal or other expenses subsequently incurred by such indemnified party in connection with the defense thereof other than reasonable costs of investigation. In any such Third Party Claim, an Indemnified Party shall have the right to retain its own counsel, but the reasonable fees and expenses of such counsel shall be at the sole cost and expense of such Indemnified Party unless (i) the indemnifying party and the Indemnified Party shall have mutually agreed to the retention of such counsel, (ii) the indemnifying party has assumed the defense of such proceeding and has failed within a reasonable time to retain counsel reasonably satisfactory to such Indemnified Party or (iii) the named parties to any such Third Party Claim (including any impleaded parties) include both the indemnifying party and the Indemnified Party and representation of both parties by the same counsel would be inappropriate due to actual or potential conflicts of interests between them based on the advice of counsel to the indemnifying party. It is agreed that the indemnifying party shall not, in connection with any Third Party Claim or related proceedings in the same jurisdiction, be liable for the reasonable fees and expenses of more than one separate law firm (in addition to local counsel where necessary) for all such Indemnified Parties. The indemnifying party shall not be liable for any settlement of any Third Party Claim effected without its written consent, but, if settled with such consent or if there be a final judgment for the plaintiff, the indemnifying party agrees to indemnify the Indemnified Party from and against any Indemnified Liabilities by reason of such settlement or judgment. No indemnifying party shall, without the prior written consent of the Indemnified Party, effect any settlement, compromise or discharge of any pending or threatened Third Party Claim in respect of which any indemnified party is or could have been a party and indemnity could have been sought hereunder by such indemnified party, unless such settlement, compromise or discharge, as the case may be, (i) includes an unconditional written release of such Indemnified Party, in form and substance reasonably satisfactory to the Indemnified Party, from all liability on claims that are the subject matter of such claim or proceeding, (ii) does not include any statement as to an admission of fault, culpability or failure to act by or on behalf of any Indemnified Party and (iii) does not impose any continuing material obligation or restrictions on such Indemnified Party.

(c) A claim by an Indemnified Party under this Section 8.04 for any matter not involving a Third Party Claim and in respect of which such Indemnified Party seeks indemnification hereunder may be made by delivering, in good faith, a written notice of demand to the indemnifying party, which notice shall contain (i) a description and the amount of any Indemnified Liabilities incurred or suffered or reasonably expected to be incurred or suffered by the Indemnified Party, (ii) a statement that the Indemnified Party is entitled to indemnification under this Section 8.04 for such Indemnified Liabilities and a reasonable explanation of the basis therefor, and (iii) a demand for payment in the amount of such Indemnified Liabilities. Within thirty (30) days after receipt by the indemnifying party of any such notice, the indemnifying party may deliver to the Indemnified Party that delivered the notice a written response in which the indemnifying party (i) agrees that the Indemnified Party is entitled to the full amount of the Indemnified Liabilities claimed in the notice from the Indemnified Party; (ii) agrees that the Indemnified Party is entitled to part, but not all, of the amount of the Indemnified Liabilities claimed in the notice from the Indemnified Party; or (iii) indicates that the indemnifying party disputes the entire amount of the Indemnified Liabilities claimed in the notice from the Indemnified Party. If the Indemnified Party does not receive such a response from the indemnifying party within such thirty (30)-day period, then the indemnifying party shall be conclusively deemed to have agreed that the Indemnified Party is entitled to the full amount. If the indemnifying party and the Indemnified Party are unable to resolve any dispute relating to any amount of the Indemnified Liabilities claimed in the notice from the Indemnified Party within thirty (30) days after the delivery of the response to such notice from the indemnifying party, then the parties shall be entitled to resort to any legal remedy available to such party to resolve such dispute that is provided for in this Agreement, subject to all the terms, conditions and limitations of this Agreement.

Section 8.05 No Implied Representations and Warranties; Survival of Representations and Warranties.

Each party acknowledges and agrees that, other than the representations and warranties specifically contained in any of the Transaction Documents, there are no representations or warranties of either party or any other Person either expressed or implied with respect to the Revenue Interests or the transactions contemplated hereby. Without limiting the foregoing, the Purchaser Agent and each Purchasers acknowledges and agrees that the Purchaser Agent, each Purchaser and their respective Affiliates, together with their representatives, have made their own investigation of each Included Product and are not relying on any implied warranties or upon any representation or warranty whatsoever as to the future amount or potential amount of the Revenue Interests or as to the creditworthiness of the Company. All representations and warranties by the parties contained in this Agreement shall survive the execution, delivery and acceptance thereof by the parties and the closing of the transactions described in this Agreement and continue in effect until payment of all amounts due to the Purchasers under the Transaction Documents and the termination of this Agreement pursuant to its terms.

Section 8.06 Independent Nature of Relationship.

(a) The relationship between the Company, the other Obligors and the Subsidiaries, on the one hand, and the Purchaser Agent and the Purchasers, on the other, is solely that of seller and purchaser, and for U.S. federal income Tax purposes, that of debtor and creditor, and neither the Purchaser Agent and the Purchasers, on the one hand, nor the Obligors and their Subsidiaries, on the other, has any fiduciary or other special relationship with the other or any of their respective Affiliates. Nothing contained herein or in any other Transaction Document shall be deemed to constitute the Company or their Subsidiaries and the Purchaser Agent and the Purchasers as a partnership, an association, a joint venture or other kind of entity or legal form for any purposes, including for any Tax purposes.

(b) No officer or employee or agent of the Purchaser Agent or any Purchaser will be located at the premises of the Company or any of its Affiliates, except in connection with an inspection or audit performed pursuant to Section 5.01 or in connection with the enforcement of remedies as contemplated by the Transaction Documents. No officer, manager or employee of the Purchaser Agent or any Purchaser shall engage in any commercial activity with the Company or any of its Affiliates other than as contemplated herein and in the other Transaction Documents.

Section 8.07 Entire Agreement.

This Agreement, together with the Exhibits and Schedules hereto (which are incorporated herein by reference), and the other Transaction Documents constitute the entire agreement between the parties with respect to the subject matter hereof and supersede all prior agreements, understandings and negotiations, both written and oral, between the parties with respect to the subject matter of this Agreement. No representation, inducement, promise, understanding, condition or warranty not set forth herein (or in the Exhibits, Schedules or other Transaction Documents) has been made or relied upon by either party hereto. None of this Agreement, nor any provision hereof, is intended to confer upon any Person other than the parties hereto any rights or remedies hereunder.

Section 8.08 Amendments; No Waivers.

(a) Subject to Section 8.08(b), this Agreement, the other Transaction Documents or any term or provision hereof or thereof may not be amended, changed or modified except with the written consent of the Company, the Purchaser Agent and the Required Purchasers. No waiver of any right hereunder shall be effective unless such waiver is signed in writing by the party against whom such waiver is sought to be enforced.

(b) Without the prior written consent of each Purchaser that would be affected thereby, no amendment, modification, termination or consent shall be effective if the effect thereof would:

(i) waive, reduce or postpone any Revenue Interest Payment;

(ii) amend, modify, terminate or waive any provision of this Section 8.08;

(iii) amend the definition of “Required Purchasers” or “Pro Rata Portion”; or

(iv) release all or any material portion of the Collateral or release any Obligor from any of its rights and obligations under any Transaction Document (except as expressly provided in the Transaction Documents).

(c) No failure or delay by either party in exercising any right, power or privilege hereunder shall operate as a waiver thereof nor shall any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, power or privilege. The rights and remedies herein provided shall be cumulative and not exclusive of any rights or remedies provided by law.

Section 8.09 Interpretation.

When a reference is made in this Agreement to Articles, Sections, Schedules or Exhibits, such reference shall be to an Article, Section, Schedule or Exhibit to this Agreement unless otherwise indicated. The words “include”, “includes” and “including” when used herein shall be deemed in each case to be followed by the words “without limitation”. Neither party hereto shall be or be deemed to be the drafter of this Agreement for the purposes of construing this Agreement against one party or the other.

Section 8.10 Headings and Captions.

The headings and captions in this Agreement are for convenience and reference purposes only and shall not be considered a part of or affect the construction or interpretation of any provision of this Agreement.

Section 8.11 Counterparts; Effectiveness; Electronic Signature.

This Agreement may be executed in two or more counterparts, each of which shall be an original, but all of which together shall constitute one and the same instrument. This Agreement shall become effective when each party hereto shall have received a counterpart hereof signed by the other parties hereto. Any counterpart may be executed by facsimile or pdf signature and such facsimile or pdf signature shall be deemed an original. The words ‘execution’, ‘signed’, ‘signature’, ‘delivery’ and words of like import in or relating to any document to be signed in connection with this Agreement or any other Transaction Document and the transactions contemplated hereby shall be deemed to include Electronic Signatures, deliveries or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any Applicable Law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar State laws based on the Uniform Electronic Transactions Act; provided, that nothing herein shall require any Person to accept electronic signatures in any form or format without its prior written consent. Without limiting the generality of the foregoing, the parties hereto hereby (a) agree that, for all purposes, including in connection with any workout, restructuring, enforcement of remedies, bankruptcy proceedings or litigation among the Purchasers and the Obligors, electronic images of this Agreement or any other Transaction Document (in each case, including with respect to any signature pages thereto) shall have the same legal effect, validity and enforceability as any paper original, and (b) waive any argument, defense or right to contest the validity or enforceability of the Transaction Documents based solely on the lack of paper original copies of any Transaction Documents, including with respect to any signature pages thereto.

Section 8.12 Severability.

If any provision of this Agreement is held to be invalid or unenforceable, the remaining provisions shall nevertheless be given full force and effect.

Section 8.13 Expenses.

The Obligors will pay all of their own fees and expenses in connection with entering into and consummating the transactions contemplated by this Agreement.

Section 8.14 Governing Law; Jurisdiction.

(a) This Agreement shall be governed by, and construed, interpreted and enforced in accordance with, the laws of the state of New York, without giving effect to the principles of conflicts of law thereof.

(b) Any legal action or proceeding with respect to this Agreement or any other Transaction Document may be brought in any state or federal court of competent jurisdiction in the State of New York, County of New York. By execution and delivery of this Agreement, each party hereto hereby irrevocably consents to and accepts, for itself and in respect of its property, generally and unconditionally the non-exclusive jurisdiction of such courts. Each party hereto hereby further irrevocably waives any objection, including any objection to the laying of venue or based on the grounds of forum non conveniens, which it may now or hereafter have to the bringing of any action or proceeding in such jurisdiction in respect of any Transaction Document.

(c) Each party hereto hereby irrevocably consents to the service of process out of any of the courts referred to in clause (b) of this Section 8.14 in any such suit, action or proceeding by the mailing of copies thereof by registered or certified mail, postage prepaid, to it at its address set forth in this Agreement. Each party hereto hereby irrevocably waives any objection to such service of process and further irrevocably waives and agrees not to plead or claim in any suit, action or proceeding commenced hereunder or under any other Transaction Document that service of process was in any way invalid or ineffective. Nothing herein shall affect the right of a party to serve process on the other party in any other manner permitted by law.

Section 8.15 Waiver of Jury Trial.

EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY ACTION, PROCEEDING, CLAIM OR COUNTERCLAIM ARISING OUT OF OR RELATING TO ANY TRANSACTION DOCUMENT OR THE TRANSACTIONS CONTEMPLATED UNDER ANY TRANSACTION DOCUMENT. THIS WAIVER SHALL APPLY TO ANY SUBSEQUENT AMENDMENTS, RENEWALS, SUPPLEMENTS OR MODIFICATIONS TO ANY TRANSACTION DOCUMENT.

Exhibit B
Form of Guaranty

[See Attached]

[FORM OF] GUARANTY AGREEMENT

THIS GUARANTY AGREEMENT, dated as of [] (this “Guaranty”), is made by [] (the “*Initial Guarantor*”), **ImmunityBio, Inc.**, a Delaware corporation (the “Company”), and each Subsidiary of the Company that, after the date hereof, executes a joinder hereto substantially in the form of Exhibit A (a “Guarantor Joinder”; such Subsidiaries of the Company, together with the Initial Guarantor, the “Guarantors”), in favor of the Guaranteed Parties (as hereinafter defined). Capitalized terms used herein without definition shall have the meanings given to them in the Purchase Agreement referred to below.

RECITALS

A. The Initial Guarantor, the Company, the Purchasers, and Infinity SA LLC, as Purchaser Agent for the Purchasers (in such capacity, the “Purchaser Agent”), are parties to a Revenue Interest Purchase Agreement, dated as of December 29, 2023 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “Purchase Agreement”), pursuant to which the Purchasers have purchased the Revenue Interests, for aggregate consideration up to ~~\$300,000,000~~ \$375,000,000, upon the terms and subject to the conditions set forth therein.

B. The Purchase Agreement requires that certain Subsidiaries of the Company guarantee to the Guaranteed Parties (as hereinafter defined) the payment in full of the Guaranteed Obligations (as hereinafter defined).

C. The Company and the Guarantors are engaged in related businesses and undertake certain activities and operations on an integrated basis. As part of such integrated operations, the Company, among other things, may advance to the Guarantors from time to time certain proceeds from the sale of the Revenue Interests by the Company to the Purchasers pursuant to the Purchase Agreement. Each Guarantor will therefore obtain benefits as a result of the sale of the Revenue Interests by the Company under the Purchase Agreement, which benefits are hereby acknowledged, and, accordingly, desires to execute and deliver this Guaranty.

STATEMENT OF AGREEMENT

NOW, THEREFORE, in consideration of the foregoing and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Guarantor hereby agrees as follows:

1. Guaranty.

(a) Each Guarantor hereby irrevocably, absolutely and unconditionally, and jointly and severally:

(i) guarantees to the Purchasers and the Purchaser Agent (collectively, the “Guaranteed Parties”) any and all payments (including, but not limited to, the Revenue Interest Payments, the True-Up Payment, and payment of the Put/Call Price) owing to the Guaranteed Parties, at any time and from time to time as and when due, upon receipt by the Purchasers of the indefeasible payment of the Put/Call Price pursuant to (i) the Purchasers’ exercise, or deemed automatic exercise, of the Put Option in accordance with Section 5.07(a) of the Purchase Agreement, (ii) the Company’s exercise of the Call Option in accordance with Section 5.07(b) of the Purchase Agreement or (iii) otherwise, of all of the Obligations under the Purchase Agreement and the other Transaction Documents, including, without limitation, all fees, expenses, indemnities and other amounts payable by the Company under the Purchase Agreement or any other Transaction Document (including the obligations in respect of the Revenue Interests,

including all obligations to make Revenue Interest Payments, the True-Up Payment, and to pay the Put/Call Price, as applicable, and the obligation to repurchase the Revenue Interests at the Put/Call Price after the occurrence of a Put Option Event (including, without limitation, the filing of a petition or commencement of a case by or with respect to the Company or any Subsidiary seeking relief under any Insolvency Laws (as hereinafter defined), whether or not the claim for such payment is allowed in such proceeding)), and all Obligations that, but for the operation of the automatic stay under Section 362(a) of Title 11 of the United States Code (and any successor statute or statutes having substantially the same function, the “Bankruptcy Code”), would become due, whether now existing or hereafter created or arising and whether direct or indirect, absolute or contingent, due or to become due;

(ii) agrees to pay on demand all Reimbursable Expenses of the Guaranteed Parties hereunder pursuant to the terms of Section 2.02(d) of the Purchase Agreement, including, without limitation, in connection with (A) any amendments, supplements, consents or waivers hereto and (B) the administration or enforcement of this Guaranty; and

(iii) agrees to indemnify, defend and hold harmless each Guaranteed Party and their respective Affiliates from and against all damages, losses and other documented out-of-pocket costs and expenses of any kind or nature whatsoever owing to any Indemnified Party pursuant to Section 8.04 of the Purchase Agreement (all liabilities and obligations described in this Section 1(a), collectively, the “Guaranteed Obligations”).

(b) Notwithstanding the provisions of Section 1(a) and notwithstanding any other provisions contained herein or in any other Transaction Document, the liability of each Guarantor under this Guaranty as of any date shall be limited to a maximum aggregate amount (the “Maximum Guaranteed Amount”) equal to the greatest amount that would not render such Guarantor’s obligations under this Guaranty subject to avoidance, discharge or reduction as of such date as a fraudulent transfer or conveyance under applicable federal and state laws pertaining to bankruptcy, reorganization, arrangement, moratorium, readjustment of debts, dissolution, liquidation or other debtor relief, specifically including the Bankruptcy Code and any fraudulent transfer and fraudulent conveyance laws (collectively, “Insolvency Laws”), in each instance after giving effect to all other liabilities of such Guarantor, contingent or otherwise, that are relevant under applicable Insolvency Laws (specifically excluding, however, any liabilities of such Guarantor in respect of intercompany indebtedness to the Company or any of its Affiliates to the extent that such indebtedness would be discharged in an amount equal to the amount paid by such Guarantor hereunder, and after giving effect as assets to the value (as determined under applicable Insolvency Laws) of any rights to subrogation, contribution, reimbursement, indemnity or similar rights of such Guarantor pursuant to (x) applicable law or (y) any agreement (including this Guaranty) providing for an equitable allocation among such Guarantor and other Affiliates of the Company of obligations arising under guaranties by such parties).

(c) The guaranty of each Guarantor set forth in this Section 1 is a guaranty of payment as a primary obligor, and not a guaranty of collection. Each Guarantor hereby acknowledges and agrees that the Guaranteed Obligations, at any time and from time to time, may exceed the Maximum Guaranteed Amount of such Guarantor and may exceed the aggregate of the Maximum Guaranteed Amounts of all Guarantors, in each case without discharging, limiting or otherwise affecting the obligations of any Guarantor hereunder or the rights, powers and remedies of any Guaranteed Party hereunder or under any other Transaction Document.

(d) For the avoidance of doubt, this Guaranty is a Transaction Document.

2. Guaranty Absolute. Each Guarantor agrees that its obligations hereunder and under the other Transaction Documents to which it is a party are irrevocable, absolute and unconditional, are independent of the Guaranteed Obligations and any Collateral or other security therefor or other guaranty or liability in respect thereof, whether given by such Guarantor or any other Person, and shall not be discharged, limited or otherwise affected by reason of any of the following, whether or not such Guarantor has notice or knowledge thereof:

(i) any change in the time, manner or place of payment of, or in any other term of, any Guaranteed Obligations or any guaranty or other liability in respect thereof, or any amendment, modification or supplement to, restatement of, or consent to any rescission or waiver of or departure from, any provisions of the Purchase Agreement, any other Transaction Document or any agreement or instrument delivered pursuant to any of the foregoing;

(ii) the illegality, invalidity or unenforceability of any Guaranteed Obligations, any guaranty or other liability in respect thereof or any provisions of the Purchase Agreement, any other Transaction Document or any agreement or instrument delivered pursuant to any of the foregoing;

(iii) the addition or release of Guarantors hereunder or the taking, acceptance or release of other guarantees of any Guaranteed Obligations or additional Collateral or other security for any Guaranteed Obligations or for any guaranty or other liability in respect thereof;

(iv) any merger or consolidation of any Guarantor into or with any entity, or any sale, lease or transfer of any of the assets of any Guarantor to any other person or entity;

(v) any change in the ownership of any Guarantor or the Company or any change in the relationship between the Guarantors and the Company, or any termination of any such relationship;

(vi) any failure by the Purchaser Agent or any Purchaser to disclose to the Guarantors any information relating to the business, condition (financial or otherwise), operations, performance, properties or prospects of any Guarantor or the Company now or hereafter known to the Purchaser Agent or such Purchaser;

(vii) any discharge, modification, settlement, compromise or other action in respect of any Guaranteed Obligations or any guaranty or other liability in respect thereof, including any acceptance or refusal of any offer or performance with respect to the same or the subordination of the same to the payment of any other obligations;

(viii) any agreement not to pursue or enforce or any failure to pursue or enforce (whether voluntarily or involuntarily, as a result of operation of law, court order or otherwise) any right or remedy in respect of any Guaranteed Obligations, any guaranty or other liability in respect thereof or any Collateral or other security for any of the foregoing; any sale, exchange, release, substitution, compromise or other action in respect of any such Collateral or other security; or any failure to create, protect, perfect, secure, insure, continue or maintain any Liens in any such Collateral or other security;

(ix) the exercise of any right or remedy available under the Transaction Documents, at law, in equity or otherwise in respect of any Collateral or other security for any Guaranteed Obligations or for any guaranty or other liability in respect thereof, in any order and by any manner thereby permitted, including foreclosure on any such Collateral or other security by any manner of sale thereby permitted, whether or not every aspect of such sale is commercially reasonable;

(x) any voluntary or involuntary bankruptcy, reorganization, arrangement, liquidation, insolvency, dissolution, termination, reorganization or like change in the corporate structure or existence of the Company or any other Person directly or indirectly liable for any Guaranteed Obligations;

(xi) any manner of application of any payments by or amounts received or collected from any Person, by whomsoever paid and howsoever realized, whether in reduction of any Guaranteed Obligations or any other obligations of the Company or any other Person directly or indirectly liable for any Guaranteed Obligations, regardless of what Guaranteed Obligations may remain unpaid after any such application; or

(xii) any other circumstance that might otherwise constitute a legal or equitable discharge of, or a defense, setoff or counterclaim available to, the Company, any Guarantor or a surety or guarantor generally, other than the occurrence of all of the following: (x) the payment in full in cash of the Guaranteed Obligations (other than contingent indemnification obligations for which no claim has been made) and (y) the termination of the Purchaser Commitments (the events in clauses (x) and (y) above, collectively, the "Termination Requirements").

3. Certain Waivers. Each Guarantor hereby knowingly, voluntarily and expressly waives, to the extent permitted by applicable law:

(i) presentment, demand for payment, demand for performance, protest and notice of any other kind, including notice of nonpayment or other nonperformance (including notice of default under any Transaction Document with respect to any Guaranteed Obligations), protest, dishonor, acceptance hereof, extension of additional credit to the Company or any other Guarantor and of any of the matters referred to in Section 2 and of any rights to consent thereto;

(ii) any right to require the Guaranteed Parties as a condition of payment or performance by such Guarantor hereunder to proceed against, or to exhaust or have resort to any Collateral or other security from or any deposit balance or other credit in favor of, the Company, any other Guarantor or any other Person directly or indirectly liable for any Guaranteed Obligations, or to pursue any other remedy or enforce any other right; and any other defense based on an election of remedies with respect to any Collateral or other security for any Guaranteed Obligations or for any guaranty or other liability in respect thereof, notwithstanding that any such election (including any failure to pursue or enforce any rights or remedies) may impair or extinguish any right of indemnification, contribution, reimbursement or subrogation or other right or remedy of any Guarantor against the Company, any other Guarantor or any other Person directly or indirectly liable for any Guaranteed Obligations or any such Collateral or other security;

(iii) any right or defense based on or arising by reason of any right or defense of the Company, any other Guarantor or any other Person, including any defense based on or arising from a lack of authority or other disability of the Company, any other Guarantor or any other Person, the invalidity or unenforceability of any Guaranteed Obligations, any Collateral or other security therefor or any Transaction Document or other agreement or instrument delivered pursuant thereto, or the cessation of the liability of the Company, any other Guarantor or any other Person for any reason other than the satisfaction of the Termination Requirements;

(iv) any defense based on any Guaranteed Party's acts or omissions in the administration of the Guaranteed Obligations, any guaranty or other liability in respect thereof or any Collateral or other security for any of the foregoing, and promptness, diligence or any requirement that any Guaranteed Party create, protect, perfect, secure, insure, continue or maintain any Liens in any such Collateral or other security;

(v) any right to assert against any Guaranteed Party, as a defense, counterclaim, crossclaim or setoff, any defense, counterclaim, claim, right of recoupment or setoff that it may at any time have against any Guaranteed Party (including failure of consideration, fraud, fraudulent inducement, statute of limitations, payment, accord and satisfaction and usury), other than compulsory counterclaims and other than the payment in full in cash of the Guaranteed Obligations (other than contingent indemnification obligations for which no claim has been made); and

(vi) any defense based on or afforded by any applicable law that limits the liability of or exonerates guarantors or sureties or that may in any other way conflict with the terms of this Guaranty.

4. No Subrogation; Subordination. Each Guarantor hereby waives, and agrees that it will not exercise or seek to exercise, until the Guaranteed Obligations (other than contingent indemnification obligations for which no claim has been made) have been indefeasibly paid in full, any claim or right that it may have against the Company, the Company or any other Guarantor at any time as a result of any payment made under or in connection with this Guaranty or the performance or enforcement hereof, including any right of subrogation to the rights of any of the Guaranteed Parties against the Company or any Guarantor, any right of indemnity, contribution or reimbursement against the Company or any Guarantor, any right to enforce any remedies of any Guaranteed Party against the Company or any other Guarantor, or any benefit of, or any right to participate in, any Collateral or other security held by any Guaranteed Party to secure payment of the Guaranteed Obligations, in each case whether such claims or rights arise by contract, statute (including the Bankruptcy Code), common law or otherwise. Each Guarantor further agrees that all indebtedness and other obligations, whether now or hereafter existing, of the Company or any other Subsidiary of the Company to such Guarantor, including any such indebtedness in any proceeding under the Bankruptcy Code and any intercompany debt or receivables, together with any interest thereon, shall be, and hereby are, subordinated and made junior in right of payment to the Guaranteed Obligations. Each Guarantor further agrees that if any amount shall be paid to or any distribution received by any Guarantor (i) on account of any such indebtedness at any time after the occurrence and during the continuance of a Put Option Event, or (ii) on account of any rights of contribution at any time prior to the satisfaction of the Termination Requirements, such amount or distribution shall be deemed to have been received and to be held in trust for the benefit of the Guaranteed Parties, and shall forthwith be delivered to the Purchaser Agent in the form received (with any necessary endorsements in the case of written instruments), to be applied against the Guaranteed Obligations, whether or not matured, in accordance with the terms of the applicable Transaction Documents and without in any way discharging, limiting or otherwise affecting the liability of such Guarantor under any other provision of this Guaranty. Additionally, in the event the Company or any Obligor becomes a “debtor” within the meaning of the Bankruptcy Code, the Purchaser Agent shall be entitled, at its option, on behalf of the Guaranteed Parties and as attorney-in-fact for each Guarantor, and is hereby authorized and appointed by each Guarantor, to file proofs of claim on behalf of each relevant Guarantor and vote the rights of each such Guarantor in any plan of reorganization, and to demand, sue for, collect and receive every payment and distribution on any indebtedness of the Company or such Obligor to any Guarantor in any such proceeding, each Guarantor hereby assigning to the Purchaser Agent all of its rights in respect of any such claim, including the right to receive payments and distributions in respect thereof.

5. Representations and Warranties. Each Guarantor hereby represents and warrants to the Guaranteed Parties that, as to itself, all of the representations and warranties relating to it contained in the Purchase Agreement are true and correct in all material respects (provided that such materiality qualifier shall not be applicable to any representations and warranties that are already qualified or modified by materiality or “Material Adverse Effect” in the text thereof).

6. Financial Condition of Company. Each Guarantor represents that it has actual knowledge of the Company's financial condition and affairs and that it has adequate means to obtain from the Company on an ongoing basis information relating thereto and to the Company's ability to pay and perform the Guaranteed Obligations, and agrees to assume the responsibility for keeping, and to keep, so informed for so long as this Guaranty is in effect with respect to such Guarantor. Each Guarantor agrees that the Guaranteed Parties shall have no obligation to investigate the financial condition or affairs of the Company for the benefit of any Guarantor nor to advise any Guarantor of any fact respecting, or any change in, the financial condition or affairs of the Company that might become known to any Guaranteed Party at any time, whether or not such Guaranteed Party knows or believes or has reason to know or believe that any such fact or change is unknown to any Guarantor, or might (or does) materially increase the risk of any Guarantor as guarantor, or might (or would) affect the willingness of any Guarantor to continue as a guarantor of the Guaranteed Obligations.

7. Payments; Application; Setoff.

(a) Each Guarantor agrees that, upon the failure of the Company to pay any Guaranteed Obligations when and as the same shall become due, and without limitation of any other right or remedy that any Guaranteed Party may have at law, in equity or otherwise against such Guarantor, such Guarantor will, subject to the provisions of Section 1(b), forthwith pay or cause to be paid to the Purchaser Agent, for the benefit of the Guaranteed Parties, an amount equal to the amount of the Guaranteed Obligations then due and owing as aforesaid.

(b) All payments made by each Guarantor hereunder will be made in United States Dollars to the Purchaser Agent, without setoff, counterclaim or other defense and, in accordance with the Purchase Agreement, free and clear of and without deduction for any Taxes, each Guarantor hereby agreeing to comply with and be bound by the provisions of the Purchase Agreement in respect of all payments made by it hereunder.

(c) In the event that the proceeds of any sale, disposition or realization of the Collateral or otherwise are insufficient to pay all amounts to which the Guaranteed Parties are legally entitled, the Guarantors shall be jointly and severally liable for the deficiency, together with the costs of collection and all other fees, costs and expenses payable hereunder.

8. No Waiver. The rights and remedies of the Guaranteed Parties expressly set forth in this Guaranty and the other Transaction Documents are cumulative and in addition to, and not exclusive of, all other rights and remedies available at law, in equity or otherwise. No failure or delay on the part of any Guaranteed Party in exercising any right, power or privilege shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, power or privilege preclude any other or further exercise thereof or the exercise of any other right, power or privilege or be construed to be a waiver of any Put Option Event or any other breach of the Purchase Agreement. In the event of any conflict between the provisions of the Purchase Agreement and hereof, the applicable provisions set forth in the Purchase Agreement shall control. No course of dealing between any of the Guarantors and the Guaranteed Parties or their agents or employees shall be effective to amend, modify or discharge any provision of this Guaranty or any other Transaction Document or to constitute a waiver of any Put Option Event or any other breach of the Purchase Agreement. No notice to or demand upon any Guarantor in any case shall entitle such Guarantor or any other Guarantor to any other or further notice or demand in similar or other circumstances or constitute a waiver of the right of any Guaranteed Party to exercise any right or remedy or take any other or further action in any circumstances without notice or demand.

9. Enforcement. The Guaranteed Parties agree that this Guaranty may be enforced only by the Purchaser Agent, acting upon the instructions or with the consent of the Purchasers as provided for in the Purchase Agreement, and that no Guaranteed Party shall have any right individually to enforce or seek to enforce this Guaranty or to realize upon any Collateral or other security given to secure the payment and performance of the Guarantors' obligations hereunder. The obligations of each Guarantor hereunder are independent of the Guaranteed Obligations, and a separate action or actions may be brought against each Guarantor whether or not action is brought against the Company or any Guarantor and whether or not the Company or any Guarantor is joined in any such action. Each Guarantor agrees that to the extent all or part of any payment of the Guaranteed Obligations made by any Person is subsequently invalidated, declared to be fraudulent or preferential, set aside or required to be repaid by or on behalf of any Guaranteed Party to a trustee, receiver or any other Person under any Insolvency Laws (the amount of any such payment, a "Reclaimed Amount"), then, to the extent of such Reclaimed Amount, this Guaranty shall continue in full force and effect or be revived and reinstated, as the case may be, as to the Guaranteed Obligations intended to be satisfied as if such payment had not been received; and each Guarantor acknowledges that the term "Guaranteed Obligations" includes all Reclaimed Amounts that may arise from time to time.

10. Amendments, Waivers, etc. No amendment, modification, waiver, discharge or termination of, or consent to any departure by any Guarantor from, any provision of this Guaranty, shall be effective, except as made in accordance with Section 8.08 of the Purchase Agreement.

11. Addition, Release of Guarantors. Each Guarantor recognizes that the provisions of the Purchase Agreement require certain Persons that become Subsidiaries of the Company and that are not already parties hereto to become Guarantors hereunder by executing a Guarantor Joinder, and agrees that its obligations hereunder shall not be discharged, limited or otherwise affected by reason of the same, or by reason of the Purchaser Agent's actions in effecting the same or in releasing any Guarantor hereunder, in each case without the necessity of giving notice to or obtaining the consent of any other Guarantor.

12. Continuing Guaranty; Term; Successors and Assigns; Assignment; Survival. This Guaranty is a continuing guaranty and covers all of the Guaranteed Obligations as the same may arise and be outstanding at any time and from time to time from and after the date hereof, and shall (i) remain in full force and effect until satisfaction of all of the Termination Requirements (provided that the provisions of Sections 1(a)(ii) and 4 shall survive any termination of this Guaranty), (ii) be binding upon and enforceable against each Guarantor and its successors and assigns (provided, however, that no Guarantor may sell, assign or transfer any of its rights, interests, duties or obligations hereunder without the prior written consent of the Purchaser Agent and the Required Purchasers) and (iii) inure to the benefit of and be enforceable by each Guaranteed Party and its permitted successors and assigns. Without limiting the generality of clause (iii) above, any Guaranteed Party may, in accordance with the provisions of the Purchase Agreement, assign all or a portion of the Guaranteed Obligations held by it (including by the sale of participations), whereupon each Person that becomes the holder of any such Guaranteed Obligations shall (except as may be otherwise agreed between such Guaranteed Party and such Person) have and may exercise all of the rights and benefits in respect thereof granted to such Guaranteed Party under this Guaranty or otherwise. Each Guarantor hereby irrevocably waives notice of and consents in advance to the assignment as provided above from time to time by any Guaranteed Party of all or any portion of the Guaranteed Obligations held by it and of the corresponding rights and interests of such Guaranteed Party hereunder in connection therewith. All representations, warranties, covenants and agreements herein shall survive the execution and delivery of this Guaranty and any Guarantor Joinder.

13. Governing Law; Submission to Jurisdiction; Venue. This Agreement shall be governed by, and construed, interpreted and enforced in accordance with, the laws of the state of New York, without giving effect to the principles of conflicts of law thereof. The terms of Sections 8.14(b) and (c), and Section 8.15 of the Purchase Agreement with respect to submission to jurisdiction, venue and waiver of jury trial are incorporated herein by reference, *mutatis mutandis*, and the parties hereto agree to such terms.

14. Appointment of the Company as Representative, Process Agent, Attorney-in-Fact.

(a) Each Guarantor hereby irrevocably designates and appoints the Company as its designee, appointee and agent to receive on its behalf all service of process in any such suit, action or proceeding and any other notice or communication hereunder, irrevocably consents to service of process in any such action or proceeding by the mailing of copies thereof by registered or certified mail, postage prepaid, to the Company at its address set forth in the Purchase Agreement, and irrevocably waives any objection to such service of process and further irrevocably waives and agrees not to plead or claim in any suit, action or proceeding commenced hereunder or under any other Transaction Document that service of process was in any way invalid or ineffective. Nothing in this **Section** shall affect the right of a party to serve process on the other party in any other manner permitted by law.

(b) Further, each Guarantor does hereby irrevocably make, constitute and appoint the Company as its true and lawful attorney-in-fact, with full authority in its place and stead and in its name, the Company's name or otherwise, and with full power of substitution in the premises, from time to time in the Company's discretion to agree on behalf of, and sign the name of, such Guarantor to any amendment, modification or supplement to, restatement of, or waiver or consent in connection with, this Guaranty, any other Transaction Document or any document or instrument related hereto or thereto, and to take any other action and do all other things on behalf of such Guarantor that the Company may deem necessary or advisable to carry out and accomplish the purposes of this Guaranty and the other Transaction Documents. The Company will not be liable for any act or omission nor for any error of judgment or mistake of fact unless the same shall occur as a result of the gross negligence or willful misconduct of the Company. This power, being coupled with an interest, is irrevocable by any Guarantor for so long as this Guaranty shall be in effect with respect to such Guarantor. By its signature hereto, the Company consents to its appointment as provided for herein and agrees promptly to distribute all process, notices and other communications to each Guarantor.

15. Notices. All notices required or permitted to be given under this Agreement shall be in conformance with Section 8.02 of the Purchase Agreement.

16. Severability. To the extent any provision of this Guaranty is prohibited by or invalid under the applicable law of any jurisdiction, such provision shall be ineffective only to the extent of such prohibition or invalidity and only in such jurisdiction, without prohibiting or invalidating such provision in any other jurisdiction or the remaining provisions of this Guaranty in any jurisdiction.

17. Construction. The headings of the various sections and subsections of this Guaranty have been inserted for convenience only and shall not in any way affect the meaning or construction of any of the provisions hereof. Unless the context otherwise requires, words in the singular include the plural and words in the plural include the singular. The provisions of Section 8.09 of the Purchase Agreement are hereby incorporated by reference as if fully set forth herein.

18. Counterparts; Effectiveness; Electronic Signature. Section 8.11 of the Purchase Agreement is incorporated herein by reference, *mutatis mutandis*.

Exhibit D

Customary Subordination Terms

Capitalized terms used but not defined in this Exhibit D shall have the meaning provided in the Agreement.

The payment in cash of the principal of and accrued and unpaid interest, if any, on, [the redemption price or]² [fundamental change repurchase price]³ of, or any cash portion of the conversion obligation [(if the Company has elected cash settlement or combination settlement)] (excluding cash payable in lieu of delivering fractional shares) due upon conversion of, the notes (collectively, a “Cash Payment”) is subordinated to the prior payment in full, in cash or other payment satisfactory to the holders of senior indebtedness, of all then-existing senior indebtedness.

If at any time the Company is not permitted to pay, repurchase [, redeem] or otherwise acquire the notes in accordance with its terms pursuant to the provisions of this Exhibit D, such failure to pay, repurchase [, redeem] or otherwise acquire the notes shall not result in any default or event of default under the applicable indenture.

If the Company dissolves, winds-up, liquidates or reorganizes, or if the Company is the subject of any bankruptcy, insolvency or similar proceeding, the Company will pay the holders of senior indebtedness in full in cash or other payment satisfactory to the holders of senior indebtedness before the Company pays any Cash Payment to the holders of the notes.

Subject to the terms herein, the Company may make payments on or distribution to the trustee or any holder in respect of its obligations under the notes or repurchase [, redeem] or otherwise acquire the notes to the extent permitted under the terms of the senior indebtedness.

If the notes are accelerated because of an event of default under the indenture or subject to repurchase by the Company at the option of the holders following a [fundamental change]⁴, the Company must pay the holders of senior indebtedness in full all amounts due and owing thereunder before the Company pays any Cash Payment to holders of the notes.

The Company may not make any payment on or distribution to the trustee or any holder in respect of its obligations under the notes or repurchase [, redeem] or otherwise acquire the notes if:

- a default in the payment of any senior indebtedness occurs and is continuing beyond any applicable period of grace; or
- any other default (a “nonpayment default”) of designated senior indebtedness occurs and is continuing that permits any holder of designated senior indebtedness to accelerate its maturity and the trustee receives a notice of such default (a “payment blockage notice”) from the Company or any other person permitted to give such notice under the indenture.

² To be included if the convertible notes include a redemption feature.

³ To be conformed to the applicable definition relating to change of control, fundamental change or similar provision.

⁴ To be conformed to the applicable definition relating to change of control, fundamental change or similar provision.

The Company may resume payments on, repurchase [, redeem] or otherwise acquire, the notes:

- in case of a payment default of senior indebtedness, upon the date on which such default is cured or waived or ceases to exist; and
- in case of a nonpayment default of designated senior indebtedness, the earlier of the date on which such nonpayment default is cured, waived or ceases to exist or 179 days after the date on which the payment blockage notice is received by the trustee unless the maturity of any designated senior indebtedness has been accelerated and all scheduled payments on the notes that have come due have been paid in full in cash.

No new period of payment blockage may be commenced for a default unless at least 365 days have elapsed since the trustee's receipt of the prior payment blockage notice.

No nonpayment default that existed or was continuing on the date of the receipt by the trustee of any payment blockage notice shall be the basis for a subsequent payment blockage notice.

If either the trustee or any holder of notes receives any payment of any obligations with respect to the notes when:

- the payment is prohibited by these subordination provisions; and
- the trustee or the holder of notes has actual knowledge that the payment is prohibited,

the trustee or the holder of notes, as the case may be, will hold the payment in trust for the benefit of the holders of senior indebtedness. Upon the proper written request of the holders of senior indebtedness, the trustee or the holder of notes, as the case may be, will deliver the amounts held in trust to the holders of senior indebtedness or their proper representative.

Any claims of the trustee for compensation or indemnification shall not be subordinate to the Company's senior indebtedness and shall be senior to claims of holders of notes in respect of all funds collected or held by the trustee.

The trustee will not be deemed to owe any fiduciary duty to the holders of senior indebtedness and shall not be liable to any such holders of senior indebtedness if the trustee in good faith mistakenly pays over or distributes to holders or to the Company or to any other person, cash, property or securities to which any holders of senior indebtedness are entitled by virtue of these subordination terms or otherwise. The trustee in its individual capacity will be entitled to all of the rights set forth in the indenture with respect to any senior indebtedness which may at any time be held by the trustee, to the same extent as any other holder of senior indebtedness.

Notwithstanding anything to the contrary above, the issuance and delivery of the Company's shares (and cash in lieu of fractional shares) upon conversion of any note in accordance with the indenture and the notes or otherwise in exchange for any note will be deemed not to constitute a payment on or distribution in respect of the Company's obligations under any note or any repurchase, redemption or other acquisition of any note.

The following terms will be defined as follows in the indenture:

“Designated senior indebtedness” means (i) the Company’s obligations under any particular senior indebtedness in which the instrument creating or evidencing the same or the assumption or guarantee thereof (or any related agreements or documents to which the Company is a party) that has an aggregate principal amount outstanding of at least \$5.0 million (as of the date of determination) and expressly provides that such indebtedness is “designated senior indebtedness” for purposes of the indenture (provided that such instrument, agreement or other document may place limitations and conditions on the right of such senior indebtedness to exercise the rights of designated senior indebtedness), and (ii) the Company’s obligations under the Purchase Agreement and the notes issued thereunder (regardless of whether the aggregate principal amount of outstanding obligations thereunder is at least \$5.0 million).

“Exchange rate contract” means, with respect to any person, any currency swap agreement, forward exchange rate agreement, foreign currency future or option, exchange rate collar agreement, exchange rate insurance or other agreement or arrangement, or combination thereof, the principal purpose of which is to provide protection against fluctuations in currency exchange rates. - (b) all of the Company’s indebtedness, obligations and other liabilities (contingent or otherwise) under the Purchase Agreement and the notes issued thereunder;
- (c) all of the Company’s reimbursement obligations and other liabilities (contingent or otherwise) with respect to letters of credit, bank guarantees or bankers’ acceptances;
- (d) all of the Company’s obligations (contingent or otherwise) with respect to an interest rate agreement, exchange rate contract, treasury services agreement, cash management agreement or similar agreements or arrangements;
- (e) all of the Company’s direct or indirect guarantees, agreements to be jointly liable or similar agreements in respect of, and obligations or liabilities (contingent or otherwise) to purchase or otherwise acquire or otherwise assure a creditor against loss in respect of, indebtedness, obligations or liabilities of another person of the kind described in clauses (a) through (d) above;
- (f) any indebtedness or other obligations described in clauses (a) through (e) above secured by any mortgage, pledge, lien or other encumbrance existing on property which is owned or held by the Company, regardless of whether the indebtedness or other obligation secured thereby shall be assumed by the Company; and
- (g) any and all deferrals, renewals, extensions and refundings of, or amendments, modifications or supplements to, any indebtedness, obligation or liability of the kind described in clauses (a) through (f) above.

Notwithstanding the foregoing, the amount of indebtedness of any person at any date shall be the outstanding balance at such date of all unconditional obligations as described above, plus (without duplication) the maximum liability of such person for any such contingent obligations at such date.

“Interest rate agreement” means, with respect to any person, any interest rate swap agreement, interest rate cap agreement, interest rate collar agreement or other similar agreement the principal purpose of which is to protect the party indicated therein against fluctuations in interest rates.

“Senior indebtedness” means the principal of, premium, if any, interest, final payment amounts, revenue interest payment, milestone payments and all fees, costs, expenses and other amounts accrued or due on or in connection with the Company’s indebtedness, whether secured or unsecured, absolute or contingent, due or to become due, outstanding on the date of the indenture or thereafter created (including all interest and other amounts accruing subsequent to the commencement of any bankruptcy, insolvency or similar proceeding, whether or not a claim for post-petition interest or such other amounts is allowable as a claim in any such proceeding), incurred, assumed, guaranteed or in effect guaranteed by the Company, including all deferrals, renewals, extensions or refundings of, or amendments, modifications or supplements to, the foregoing, unless in the case of any particular indebtedness the instrument creating or evidencing the same expressly provides that such indebtedness shall not be senior in right of payment to the notes or expressly provides that such indebtedness is on the same basis as, or junior to, the notes. Senior indebtedness does not include:

- (a) indebtedness that expressly provides that such indebtedness shall not be senior in right of payment to the notes or expressly provides that such indebtedness is on the same basis as, or junior in right of payment to, the notes;
- (b) indebtedness that is expressly subordinated to any senior indebtedness;

- (d) trade payables and accrued expenses (including, without limitation, accrued compensation and accrued restructuring charges) or deferred purchase price for goods, services or materials purchased or provided in the ordinary course of business;
- (e) any indebtedness of the Company to or among any of its subsidiaries, or to a joint venture in which the Company or any of its subsidiaries has an interest;

About ANKTIVA® (nogapendekin alfa inbakicept-pmln)

The cytokine interleukin-15 (IL-15) plays a crucial role in the immune system by affecting the development, maintenance, and function of key immune cells—NK and CD8+ killer T cells—that are involved in killing cancer cells. By activating NK cells, ANKTIVA® overcomes the tumor escape phase of clones resistant to T cells and restores memory T cell activity with resultant prolonged duration of complete response. ANKTIVA is a first-in-class IL-15 receptor superagonist IgG1 fusion complex, consisting of an IL-15 mutant (IL-15N72D) fused with an IL-15 receptor alpha, which binds with high affinity to IL-15 receptors on NK, CD4+, and CD8+ T cells. This fusion complex of ANKTIVA® mimics the natural biological properties of the dendritic cell membrane-bound IL-15 receptor alpha driving the activation and proliferation of NK cells with the generation of memory killer T cells that have retained immune memory against these tumor clones.

ImmunityBio, Inc. is a biotechnology company focused on innovating, developing, and commercializing next-generation immunotherapies designed to activate the patient's immune system and deliver durable protection against cancer and infectious diseases. Our approach harnesses both the adaptive and innate immune systems with the goal of restoring immune function and generating lasting immunological memory in patients. At the core of our strategy is the Cancer BioShield™ platform, which is designed to stimulate critical lymphocytes, including natural killer (NK) cells, cytotoxic T cells, and memory T cells via our proprietary IL-15 receptor superagonist, ANKTIVA® (nogapendekin alfa inbakicept). Our Cancer BioShield platform is anchored by this antibody-cytokine fusion protein and is complemented by a portfolio that includes adenovirus-vectored vaccines, allogeneic (off-the-shelf) and autologous NK-cell therapies, and additional immunomodulators intended to promote immunogenic cell death and support durable immune responses while potentially reducing reliance on high-dose chemo-radiation therapy. Forward-Looking Statements

This press release contains forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995, including statements regarding the clinical development, therapeutic potential, safety, efficacy, and regulatory pathway of ANKTIVA; the anticipated clinical benefits of ANKTIVA plus BCG in patients with BCG-naïve non-muscle invasive bladder cancer (NMIBC) carcinoma in situ (CIS); the potential for ANKTIVA plus BCG to improve durability of complete response compared to BCG alone; the anticipated impact of the funding under the RIPA to support continued scaling of ImmunityBio's commercial efforts and global expansion following recent approvals, while advancing the Company's broader immunotherapy pipeline; and payments to be made under the RIPA, as amended.

These forward-looking statements are based on current expectations, estimates, forecasts, and projections, as well as the beliefs and assumptions of management, and are subject to significant risks and uncertainties. Actual results may differ materially from those expressed or implied by such forward-looking statements due to a variety of factors, including, but not limited to: risks related to clinical trial design, enrollment, timing, interim analyses, and final data outcomes; the possibility that interim results may not be predictive of final trial results; regulatory risks, including the timing and outcome of interactions with the FDA and other regulatory authorities, and the risk that a BLA may not be submitted when anticipated or, if submitted, may not be approved or may require additional data or studies; risks related to safety signals or adverse events that may arise during continued evaluation; the Company's ability to manufacture sufficient quantities of ANKTIVA and recombinant BCG to support clinical development and potential commercialization; risks associated with product supply, including ongoing BCG shortages; competitive developments; changes in standard-of-care treatment; market acceptance; reimbursement; and intellectual property protection.

More details about these and other risks that may impact ImmunityBio's business are described under the heading "Risk Factors" in the Company's Form 10-K filed with the U.S. Securities and Exchange Commission (SEC) on February 23, 2026 and in subsequent filings made by ImmunityBio with the SEC, which are available on the SEC's website at www.sec.gov. ImmunityBio cautions you not to place undue reliance on any forward-looking statements, which speak only as of the date hereof. ImmunityBio does not undertake any duty to update any forward-looking statement or other information in this press release, except to the extent required by law.
